5 March 2002

I understand that some parents intend going to Melbourne for the week that the team is playing in the rubberball tournament. I hope that you enjoy your time down there but I feel that I must stress that the players belong to the team and their billet families during that period. I will give you the telephone number for the family that your child is staying with so that you can introduce yourself but you should not expect to see or speak to the children much during the week. Even with older children we have found in the past that repeated contact with their parents can make it difficult for the children to settle - and they will be much too busy anyway.

COST: Total payable to NSWJBL is \$540 per player. This covers uniform, transport, meals and tourist attractions. Please do not embarrass other children by giving players excessive amounts of spending money. Players will be responsible for their own spending and should only have between \$30 and \$50 each. Be sure to buy an appropriate gift for the billet family and please have your child write a personal note of thanks. We have tried to keep cost at a minimum but airline flights and the costs for transport, meals and tourist attractions which are payable to Victorian Baseball are outside our control.

TRAINING: For all matters relating to the team you should contact the League at the numbers given above. For matters relating to training (eg unable to attend) you should contact the team coach Ken Douglass at **[deleted]**

We do hope all players (and parents) enjoy the experience

Cheryl Barnier
PRESIDENT
